Web development

DRIVING LICENCE

Class B and AM

PROFILE

Recent graduate with a Bachelor's Degree in Multimedia and Design from the University of Agder, with a strong interest in IT support, web and application development, and programming. Through academic studies and project work, I have gained practical experience with C#, JavaScript, Python, SQL, REST APIs, databases, and UI/UX design. I enjoy solving technical problems, developing user-focused digital solutions, and assisting users with IT-related challenges. I am eager to learn and motivated to further develop my expertise in IT and software development.

EDUCATION

Bachelor's Degree in Multimedia and Design | Aug. 2023 - Jun. 2026

University of Agder, Grimstad

Focus on web development, programming, UI/UX design, and digital solutions.

Supplementary Programme for Higher Education Entrance Qualification | Aug. 2016 - Jun. 2017

Sam Eyde Upper Secondary School, Arendal

PROJECT

Educational 2D Game | Returkraft - Bachelor's Project

Developed an educational 2D game using Unity and C# in collaboration with Returkraft. The project involved programming, implementation of game functionality, UI/UX design, and the development of a user-friendly digital solution. It provided practical experience in software development processes, testing, problem-solving, and collaboration with the client.

The game is used by Returkraft as part of its educational and training activities.

WORK EXPERIENCE

Warehouse Operative | Ølbrygging og Bema, Grimstad | May 2024 - Aug. 2026

Performed warehouse and logistics tasks with an emphasis on efficiency, accuracy, and teamwork.

Cook | MYRENE PIZZA INVEST AS, Arendal | Mar. 2021 - Mar. 2024

Responsible for food preparation, customer service, and daily operations in a fast-paced working environment.

Support Worker | Respite Care Home, Åmli | Jun. 2014 - Aug. 2020

Provided individual support with an emphasis on responsibility, communication, and adapting to the user's needs.

Carpenter (Summer Position) | Åmli Bygg | 2012 - 2022

Carried out a range of construction tasks with an emphasis on teamwork, accuracy, and quality.
